Subject Appointment of Blacksmith to the orkshop establishment

---

The Mysore City Municipal Council has been maintaining a small workshop establishment as sanctioned in G O No L-1489-90/ Ml 11-41-81 dated 2-8-42 The establishment consisting of a - carpenter, blacksmith a hammer boy in grade 40-2-50,30-1-40,15½-20 respectively with the usual D A admissible to them for conducting urgent repairs to the vehicles of the Health section, the impliments of the Farm Sanction of Government to an additional Blacksmith establishment is also received from year to year

The service of one R Ahamed Shereef working as a Blacksmith in the permanent establishment was dispensed with owing to his continued irregularity ~~in attendence~~ and work In this place one Lingiah who was working as a Blacksmith against temporary post of a Blacksmith of the additional establishment on a pay of Rs 25/- has been appointed temporarily with effect from 4-11-54 on a pay of Rs 30/- per month

As the post of the Blacksmith is analogous to the appointments of a technical n ture mentioned under rule 8(d) of the manual of the Recruitment rules, I request that the Blacksmiths' appointment may also be kindly excluded from the operation of the Public Service Commission Rules Further the scale pay of the post of a blacksmith in Municipal service is low and the corditions of service so hard that no experienced Blacksmith comes forward to ~~x~~ take up the work It was therefore considered advantageous to
